Whispering Pines

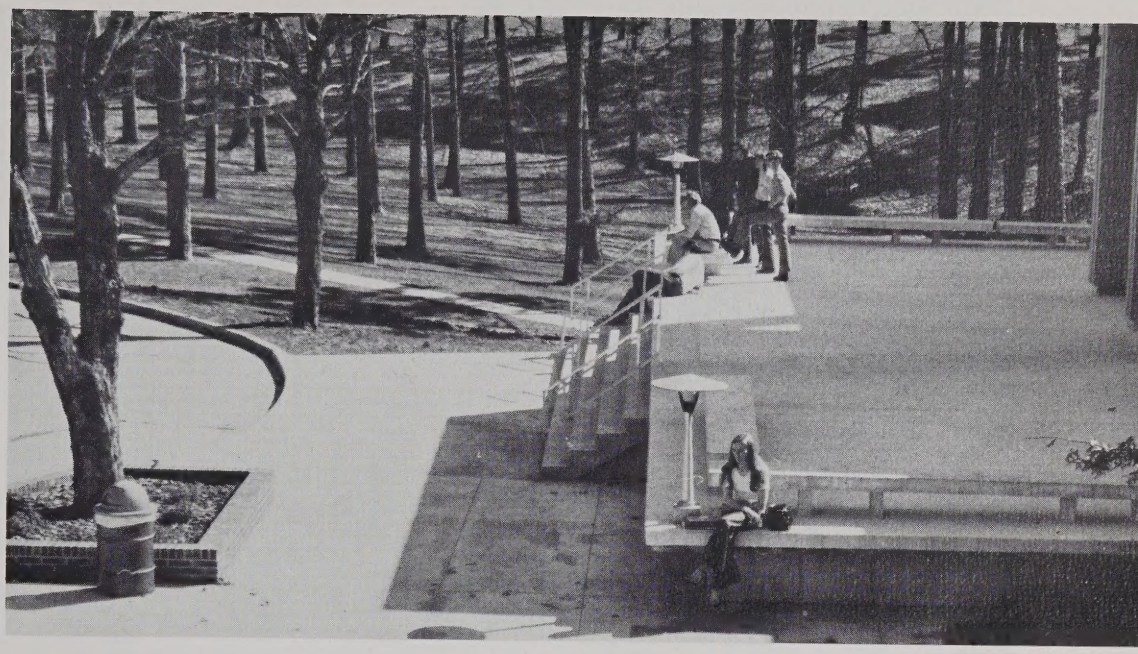
Guilford Technical Institute
1973 Volume VII, Jamestown, N.C.

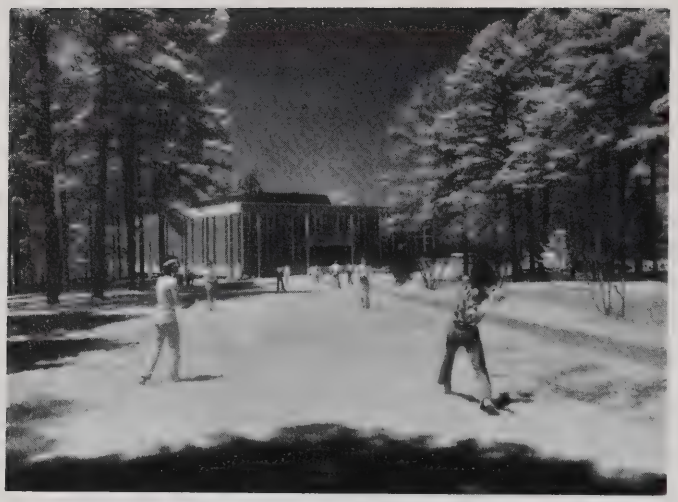


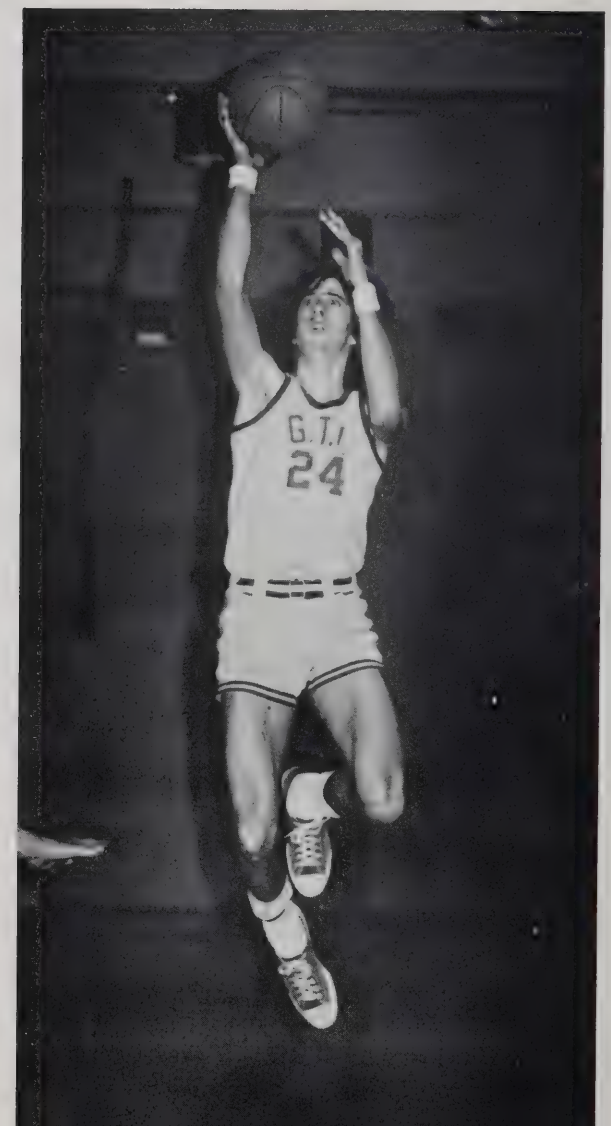
Education is a companion which no misfortune can decrease, no crime destroy, no enemy alienate, no despotism enslave; at home a friend, abroad an introduction, in solitude a solace, in society an ornament. It chastens vice, guides virtue, and gives grace and government to genius. Education may cost financial sacrifice and mental pain, but in both money and life values it will repay every cost one hundred fold.

A lot of ground has been broken on GTI's Jamestown campus since 1968 when the contemporary design and structure of the Library-Classrooms Building broke the skyline and atmosphere of a setting previously dominated by a tuberculosis hospital.

More ground was broken in 1969 to make way for a Health-Science Building, and that was followed by a Technical Laboratories Building in 1971. GTI students and personnel began the new year of 1973 with still more groundbreaking ceremonies which officially began construction of the Institute's largest building project to date -- a $3.3 million complex featuring a Campus Center and a Learning Resource Center.

Guilford Technical Institute's construction growth is indicative of it's growth in student enrollment and curriculum offerings. Campus curriculum enrollment alone has increased from 798 students (unduplicated headcount) five years ago to a count of 2,493 during the 1971-72 academic year. Curriculum offerings now include curriculum programs in 12 areas. A Continuing Education Division of GTI offers adult high school diploma programs, adult general enrichment courses, occupational extension programs for business and industry, guided studies, and a Learning Laboratory.





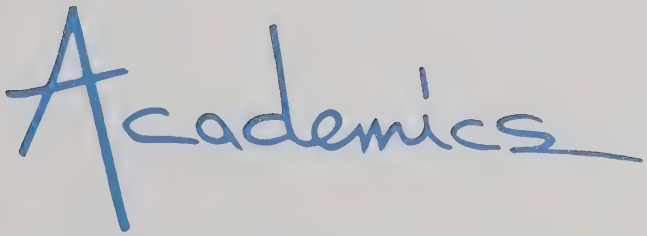
G.T.
24

Because GTI programs are geared to involve the total community of Guilford -- young and old, male and female, rich and poor -- the Institute's classrooms are in use more than any other in the state, public or private. GTI's day begins at 8 a.m. and doesn't end until 10 p.m. Virtually every available teaching space is occupied in the evening.

Members of the student body of Guilford Technical Institute enjoy an atmosphere of openess, maturity and learning. Each shares the common satisfaction of having identified a career goal in life, and of being actively in pursuit of that goal through a program of quality education.

GTI students represent a broad crossection of ages, educational backgrounds, and walks of life. Some enroll seeking an associate in applied science degree through a two year program of study. Others are involved in a vocational program which requires one year of concentrated study and results in a certificate of completion. Still others hold down full-time jobs and enroll in these programs during the evenings. Classrooms on our Jamestown campus and in the schools and community centers across Guilford County are occupied nightly by adults studying basic education, high school diploma oriented education, occupational extension study, or hobby-oriented general adult enrichment courses.

If we continue meeting this unique educational need in Guilford County, new programs and new buildings to house them will be needed. Construction is presently underway for a new Campus Center and a new Learning Resource Center to be completed in late 1974. And, already, plans are being laid for still more new needed buildings. 'Quality education at the lowest possible cost' is GTI's motto. Adhering to this motto on responding to community needs is what makes Guilford Technical Institute this county's most unique educational institution.



The things taught in schools and colleges are not education, but the means of education.

Administration & Staff

Wisdom consists in knowing what to do with what you know.

Board of Trustees: George Covington, James Millikan, John Thompson, Gordon Saddler, John Davis, Chairman, Percy Sears, William Beerman, William Hinson, John Foster, and Frank Starling. (not pictured) Sidney Lowe and James Williams, Vice Chairman.

"So, then, to every man his chance---
To every man, regardless of his birth,
His shining, golden opportunity---
To every man the right to live,
To work, to be himself
And to become
Whatever things his manhood and his vision
Can combine to make him---
This seeker,
Is the promise of America."

Thomas Wolfe

Campus Activities

Life is not dated by years. Events
are sometimes the best calendars.

Education isn't confined to classrooms or textbooks. Nor does it always occur in an atmosphere of formality. The Halloween Dance at the Shrine Club, a pep rally in the Student Lounge, and the annual "I Am An American Day" observance at High Point Lake are all examples of "extra-curricular education" at GTI.

I AM AN AMERICAN DAY

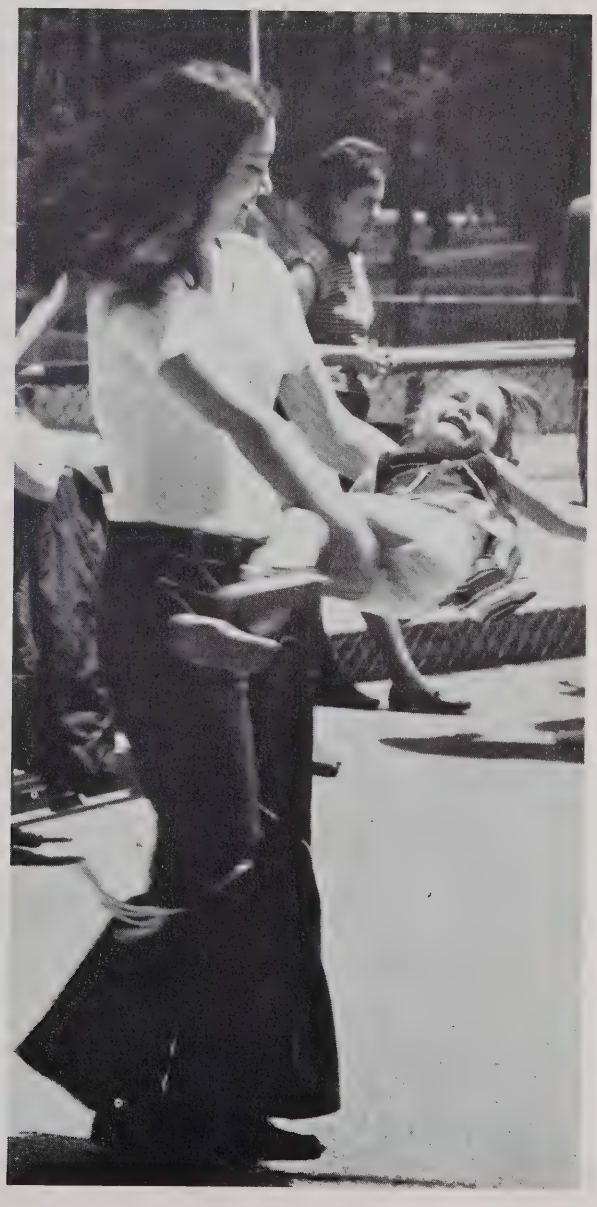
GTI's very own tradition. A healthy mixture of fun, fellowship, serious thought, and reflection. A chance to enjoy the May sunshine and freshness of a Spring day.

"American Day" Speaker Weddie Huffman greets students and faculty following one of several major addresses.

The open air luncheon is always a popular event for all, and GTI President Luther R. Medlin is no exception.

Lakeside chats provide an opportunity for rapping with experts on such topics as Womens Lib, POWs, Mental Retardation and Drugs.

GTI's "Embryonic Stage" drama club presents an outdoor rendition of "Hair."



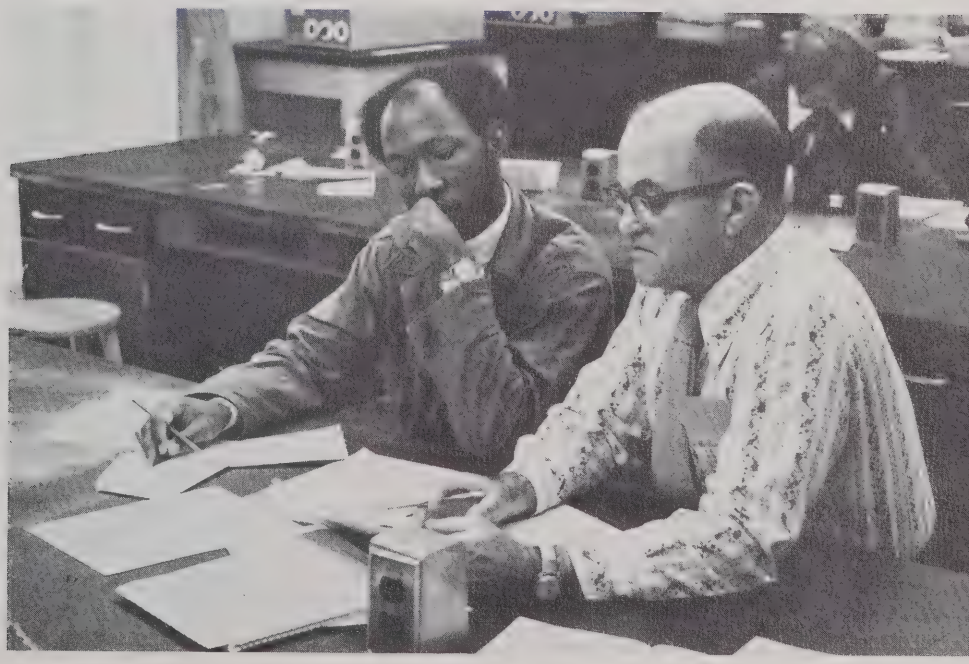
A potourri of activities featuring fun and relaxation follows workshops and major speeches.

An atmosphere of informality prevails . . . in both dress and conduct.

REGISTRATION

Four times each year, the lines form. Directional signs decorate the doors and hallways of Heath-Science Building. There are forms to complete, and still more forms to complete. Plans are made for both an academic year and an individual future.

There's always time for a friendly smile . . .
and a short lesson in schedule re-arranging.



ELECTIONS

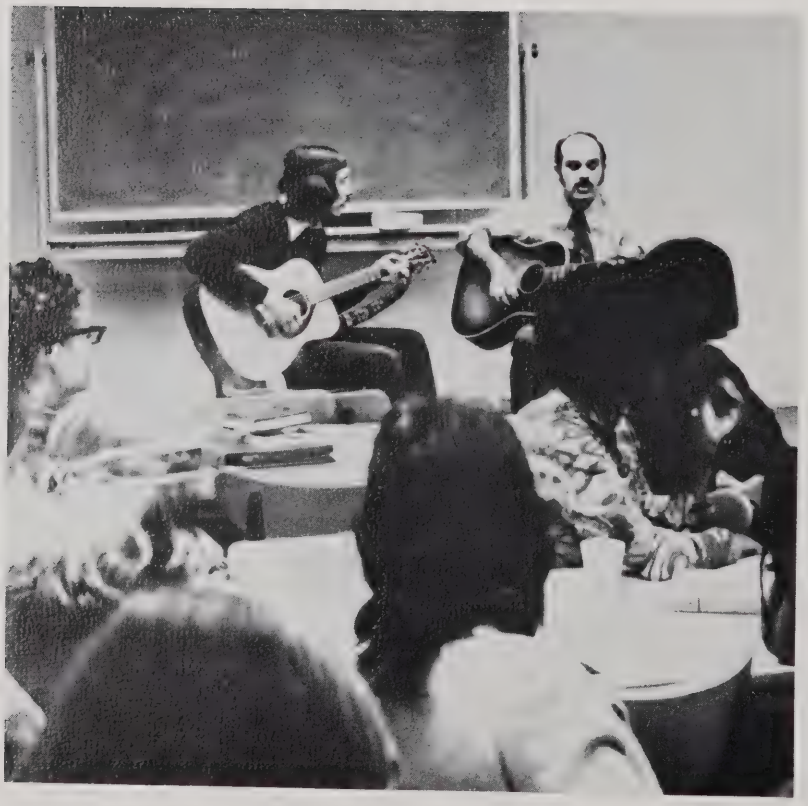
The ol' ballot box is stuffed in the Fall for class officers, and again in the Spring for SGA executive officers.

All the petition-signing and campaign speeches paid off for Freshman Class Officers (above) Mona Bryant, president; Joyce Morphis, vice-president; and Ann Pugh, treasurer. Secretary Ellen Singleton is not pictured.

Sophomore Class officers are Alonza Montgomery, president; Sandy Gulledge, secretary; David Foy, treasurer; and Pat Kelly, vice-president.

HALLOWEEN DANCE

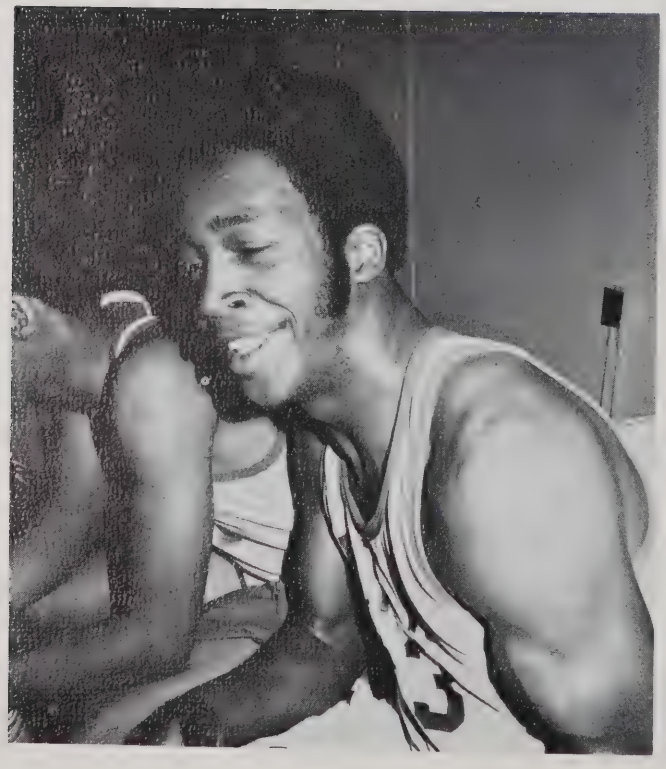
One of the first SGA-sponsored dances of the academic year. Spookiest costume contests, plenty of dance floor activity, and a general, all-around time.



COFFEE HOUSE

GTI instructor Terry Ward was part of a folk singing group preformed at SGA sponsored Coffee House gatherings during Monday activities hour on campus.

Cheerleaders Sandy Gulledge, Diane Cline, Terry Sutker, Susan Pipan and Margie Anderson.



1972-73 Basketball Team

Roy Tharington
David Hodgin
Butch Burton
Steve Causey
Gary Johnson
Kelvin Johnson
(pictured left)
Fred Townsend
Harvey McGirt
Danny Bunn

Tharington and Hodgin were honored by being named to the All-Conference Team.

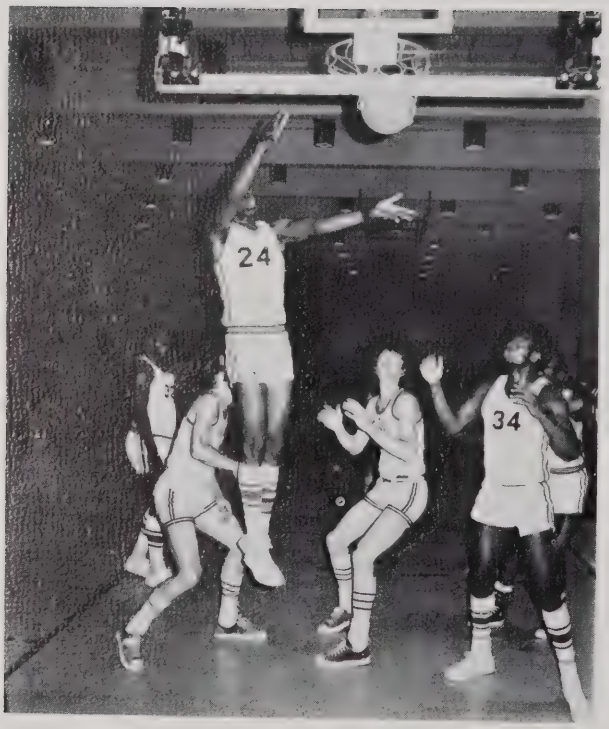
BASKETBALL

Guilford Tech's hornets stung their way to a third-place finish in the conference and are looking forward to an even stronger showing next year.

The GTI Basketball Team challenged these schools during their 1972-73 season:

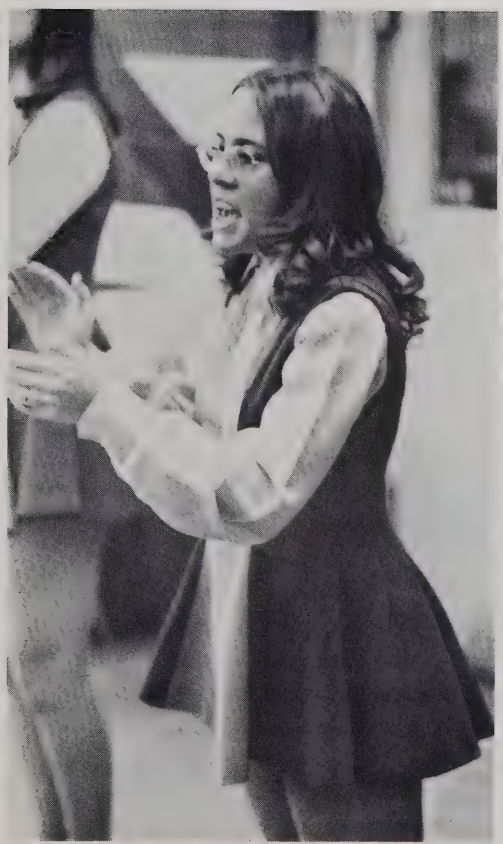
Surry Community College
Catawba Valley Tech.
Rowan Tech.
Tech. Inst. of Alamace
Wilkes Community College
Durham Tech.
Richmond Tech.
Rockingham Community College
Piedmont Tech.

24



24
34

The action was there . . . as evidenced by Mr. Lochra, Miss McClure, and Cheerleader Margie Anderson



CHRISTMAS BAZAAR

Everything from puppies to baked goods. That's what greeted everyone who attended the SGA's Christmas Bazaar in the Faculty Lounge. For many clubs on campus, it was a money-raising project. President Medlin and Vice-President Wallace register their amazment at the variety of sale items.

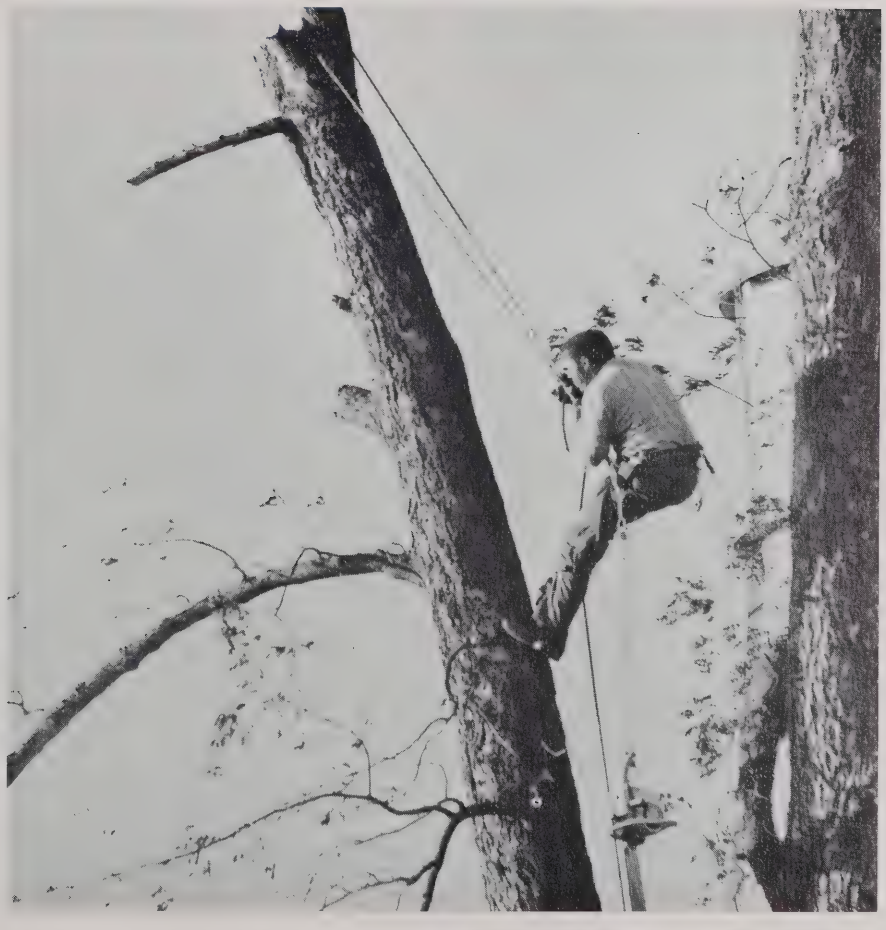
Dr. and Mrs. Medlin danced to music provided by the Notations.

CHRISTMAS DANCE

The Shrine Club was again the scene of GTI's Christmas Theater Dance, which combined the heel-kicking with a presentation of "Partridge In A Pear Tree" by the Embryonic Stage. When the acting concluded, the dancing began.

GROUND BREAKING

January 11 was ground-breaking time for GTI's $3 million Campus Center-Learning Resource Center complex. Near freezing temperatures and a blanket of snow over the ground failed to dampen the festive spirit of the occasion.



HOMECOMING

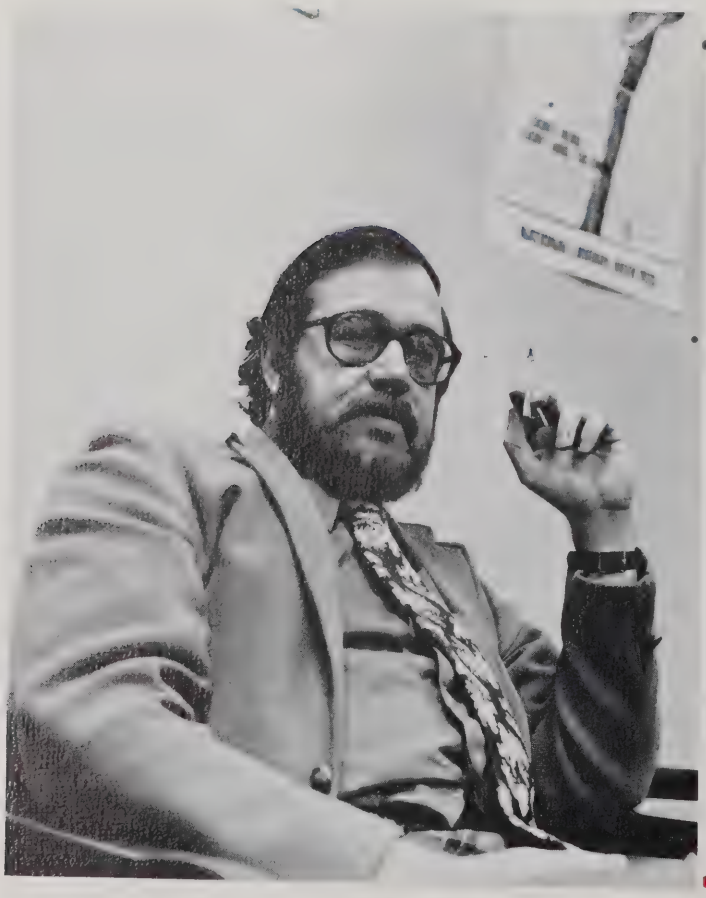
Homecoming and Valentine's day were celebrated simultaneously in several different ways, including campus entertainment, an exciting basketball game, special reception for alumni, and the annual dance at the Shrine Club.

Homecoming Queen Jackie Thompson was officially crowned by last year's queen Carolyn Stanley Phillips.

Jackie Thompson, Homecoming Queen,
Sponsored by Commercial Art

The Queen's court, pictured at left, included: Juanita Hutton, Allison Boles, Terri Sutker, Faye Nicholson, Queen Jackie Thompson, Lee Ann Deal, Nancy Reynolds, Joyce Allen, Gwen Webster, Karen James and Margie Anderson.

NEWSPAPER STAFF



Brad Jenkins, Staff Advisor

Advisor Brad Jenkins gives Charles Graham his next Tech-Talk assignment.

Tech-Talk staff members Al Hayes, Karen Roberts, Charles Vornadore, and Charles Graham.

Yearbook Staff: Charles Graham, Ann Hart, Lisa Warren, Cathy Cauthen, Penny Patterson, Jackie Key, Jeanne Bailes, Advisor, Pat Kelly, Mark Tuttle, Marty Hedrick, (not pictured) Ann Schlosser, Stan Piestrak, Roger Hartsell, David Helms

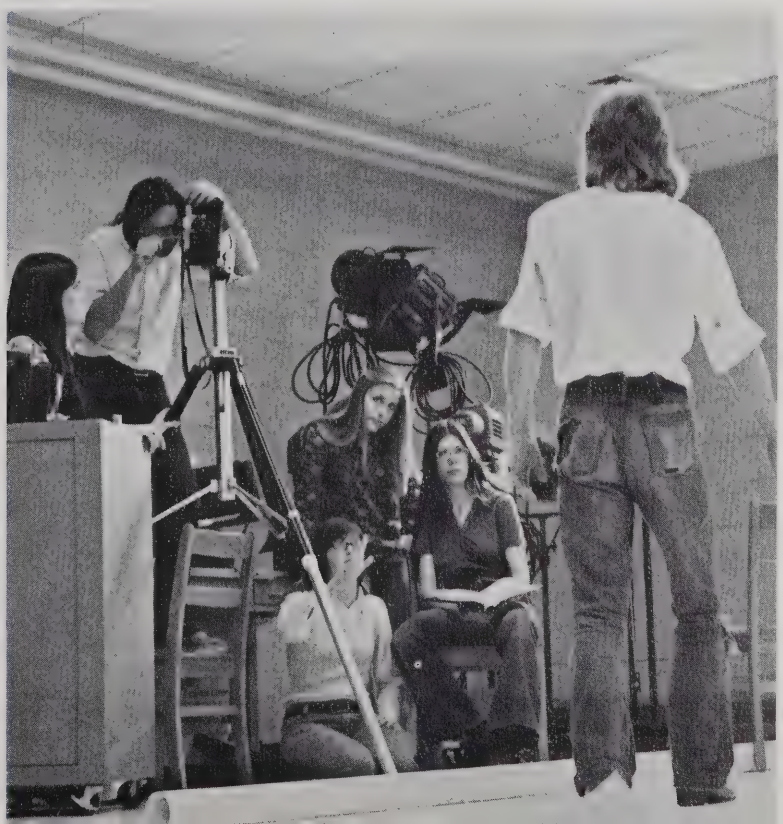
Medlin, Nelson Wallace, and Jerry
Owens

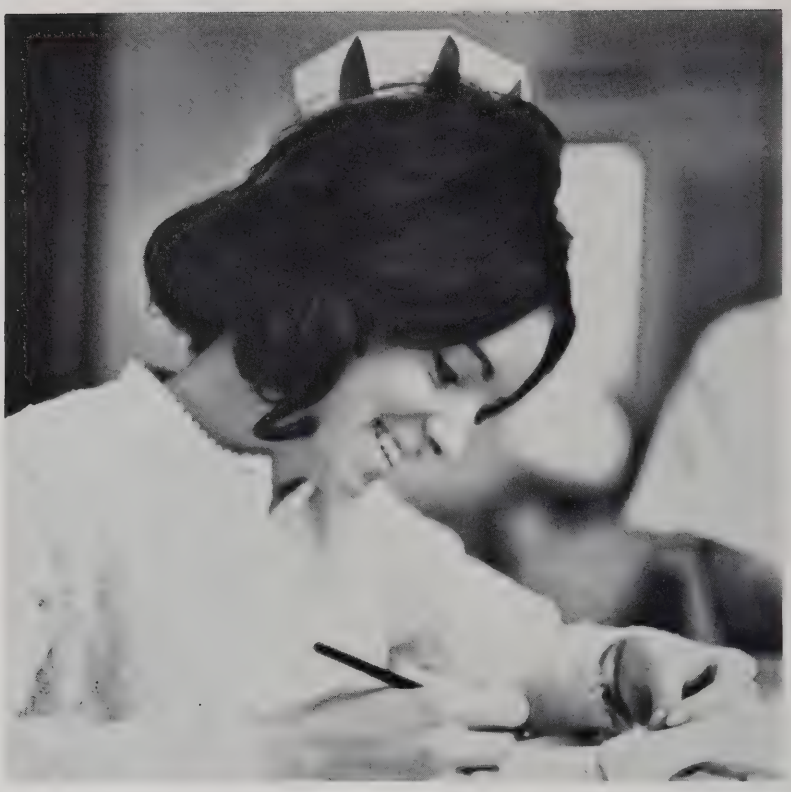


Club & Program Activities

I came in hope of finding a way to expand my own reflection to make it more than what it is.

STUDENT NURSES ASSOCIATION

Long hours of factual study is only a beginning in the Student Nurses training program; members of the SNA are pictured working at High Point Memorial Hospital. Advisors to the SNA are Diane Gibbs and Sharon Rankin.



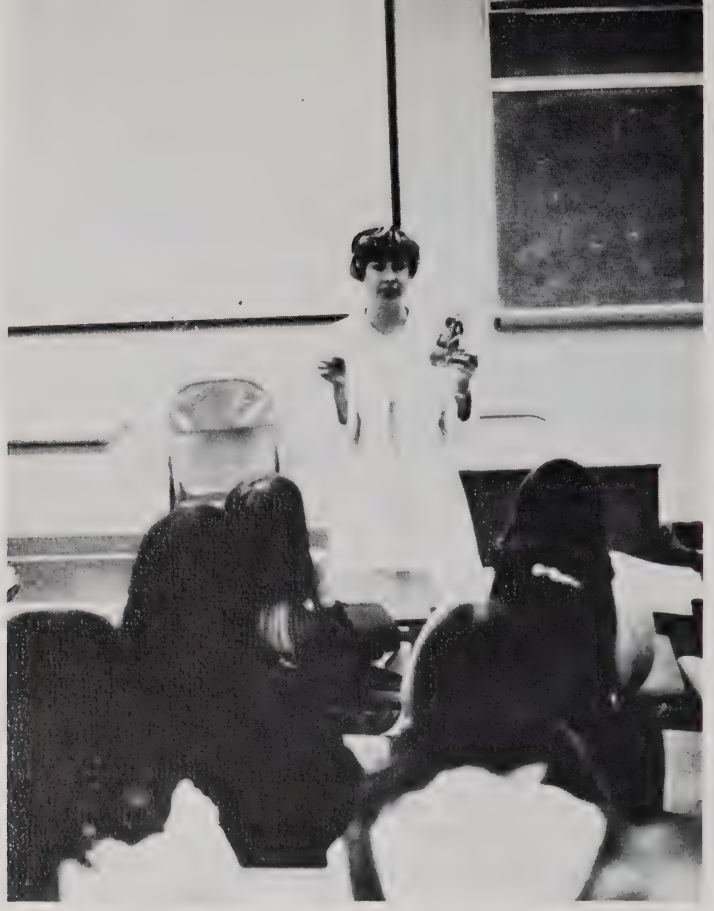
First Year Student Nurses Association

Some of my classmates

1st row - Vangie Clapp Bowman, Diane Stewart, Dianne Boyette
Dianne Hipps Purvis & Cathie Nance

Back row - Ann Armstrong, Carolyn Monty —
Steve Roach — + Instructor Diane Gibbs

middle row - Nancy White (Wilson) Nancy Herndon, Cathy
Lewis & Betty Williams



JR. AMERICAN DENTAL HYGIENISTS ASSOCIATION

The Jr. American Hygienist Association has had a very full itinerary this year. Their club functions include sending a deligate to San Francisco to the annual meeting of the DHA, assisting the North Peidmont Dental Hygiene Association in conducting a seminar for graduating hygiene students conducted by Dr. Ester Wilkins Gallagher and of course the club bake sales.

PRACTICAL NURSES ASSOCIATION

Accompaning the year's academic program, the Practical Nurses Association's activities included working with the Red Cross bloodmobile, sponsoring members to go to the LPN Convention in Wilmington from May 4-6, and presenting Easter baskets to needy patients. The PNA participated in other campus activities with club bake sales, car washes and luncheons.

Registered Nurse, Diane Tipton, former GTI student, and student nurses at Moses Cone Hospital.

Practical Nurses Association

DENTAL ASSISTANT CLUB

Judy Clemmons, Dental Assistant Club Advisor

Dental Assistant Club Officers: Susan Parson, Secretary; Cindy Martin, Vice-President; Allison Boles, Treasurer; Deborah Pegram, President.

Activities have been numerous for the members of the Dental Assistant Club this year. Events during the year have included a capping ceremony, guest speakers, and a bake sale on I Am An American Day. Field trips included participation of the students in the annual session of the N.C.D.A.A. and a trip to the School of Dentistry at Chapel Hill.

Dental Assistant Club

ARCHITECTURE CLUB

In a membership drive, the Architecture Club held a luncheon with advisors from the Architectural Engineering and Construction fields as guest speakers. Other events included a trip to Williamsburg and the annual Turkey Shoot.

ASCET CLUB

The monthly meeting of the ASCET Club provided such interesting speakers as an instructor from UNC-G on ecology, Paul Long on job opportunities, and a representative from Stromburg Engineering.

BLACK STUDENT UNION

Black Week, sponsored by the BSU, featured a kaleidoscope of events which included a karate demonstration, a fashion show, bands, movies, and guest speakers.

The fashion Show for Black Week 1972, being so successful, was again included in the 1973 activities.

The skies were clear and the cool breeze brushed through our hair as each of us became engrossed in Black Week's activities.

Everyone enjoyed the outdoor music provided by the T-N-T and the Jabbers.

PHI RHO PI

Pat Kelly smiles over trophies won in West Virginia and Alabama.

Phi Rho Pi's speech competition in the hills of West Virginia was noted for stern competition and just a touch of beauty to ease the pain.

Student art exhibited annually in the GTI gallery attracts hundreds of viewers. This graphic exhibit includes demontrations, tours and opportunity for purchase of student art and photography.

GRAPHICS EXHIBIT

During Open House, visitors tour the campus and view the wide array of student art work.

GTI's business club has had a busy year entertaining and being entertained by influencial people in the business world. One of the prominent speakers this year was Bill Boggs from Channel 8's 'Southern Exposure'.

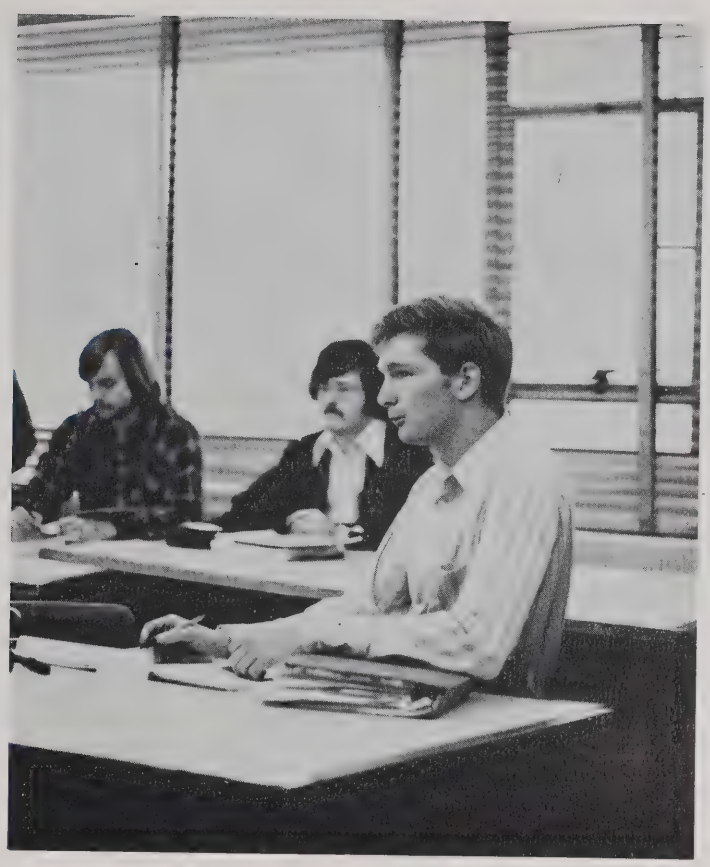
PHI BETA LAMBDA

EMBRYONIC STAGE

The Christmas presentation by the Embryonic Stage, 'Partridge in a Pear Tree', added humor and warmed everyone with the spirit of the season at the Christmas Dance.

Bill Johnson
Advisor

AEROSPACE SOCIETY



A highlight in the activities of the Aerospace Club for 1973 was a visit to the Wings and Wheels Museum at Santee, South Carolina. Also, a club award was presented to Roger Sekadlo for his participation in the Aerospace Program.

COSMETOLOGY CLUB

February provided the opportunity for the cosmetology students to visit Charlotte and to attend the North Carolina Hairdressers and Cosmetology Association convention. On returning, the club shared their new hairstyle techniques with the Dental Hygiene Clinic for good grooming.

AUTO MECHANICS CLUB

This year's Auto Mechanics Club visited the auto assembly plant in Dorville, Georgia, recieved approximately $650.00 worth of alternators from the Ford Motor Company and were the recipients of a car donated by the Chrysler Corporation.

Student Life

All we need to make the day go better is to
remember our friends, or maybe one friend's face.

Whispering Pines

. . . . is dedicated to those people whose conscientious efforts, although seldom seen and rarely appreciated, join in making GTI a better environment for educational aspirations.
